

GETTING INVOLVED A TO Z

Welcome! From the day your child becomes a Trailblazer, you become a member of the Sierra Canyon School Parent Association (SCSPA).

The SCSPA plays an integral role in enhancing our students' school experience and supporting our faculty and staff on both campuses. So, whether you have several hours per week or just one hour per year, we hope you will find the time to become involved in our greater school community.

Opportunities include serving lunch at the Farmhouse or during our International Luncheon; assisting in the Rubin Family Library; acting as a Class Coordinator (Sierra Canyon's version of a Room Parent); helping with the Lost and Found, Campus Closet, and Spirit Wear; chairing an annual event or celebration; volunteering at Grandparents and Friends Day and the Great Fair; working with our PA DEI Committee to bring cultural celebrations and commemorations to campus; and, helping to recognize our faculty and staff during our bi-annual Teacher Appreciation Luncheons.

The Parent Association hosts meetings throughout the academic year, which are great opportunities to hear, first-hand, from the Administration and fellow parents about what is happening on campus and how to become involved in the Sierra Canyon community.

The SCSPA invites participation by all parents and grandparents, Pre-Kindergarten through 12th Grade. A link to sign up will be available in August 2026.

We look forward to meeting you!

Warmly,

Shayne LaChapelle
SCSPA President
